Motivated Full Stack Developer with practical experience in building responsive and user-friendly web applications. Proficient in **React.js, Node.js, JavaScript, Redux, MongoDB, MySQL, and Material UI**, with a focus on developing clean and efficient user interfaces.

Experienced in both frontend and backend development tasks. Skilled in **HTML5, CSS3, Tailwind CSS, and Bootstrap** for creating mobile-friendly and visually appealing designs.

Eager to learn and grow through real-world projects. Thrive in collaborative team environments and enjoy building practical, user-centered web solutions.

TECHNICAL SKILLS

Frontend : React.js Material-UI

Language : JavaScript HTML CSS

State Management : Redux Context

Backend : Node.js Express.js MongoDB MySQL

INTERNSHIP EXPERIENCE

Web Development, Ubitech Solutions Pvt Ltd, Gwalior (2023 - 2024)

- Built a user-friendly e-commerce website where sellers could add products and users could compare them easily.
- Created RESTful APIs using Node.js and Express.js to connect the frontend with the backend smoothly.
- Used Bootstrap and Tailwind CSS to make the website responsive and visually appealing for all screen sizes.

PROJECTS

Drag and Drop Task Manager (Live Demo)

- Built a task manager using React.js and react-beautiful-dnd for intuitive drag-and-drop task organization.
- Designed a responsive interface with Tailwind CSS, ensuring seamless usability on all devices.

Real-Time Chat Application (Live Demo)

- Developed a chat app with React.js and Socket.IO supporting real-time messaging and multi-user rooms.
- Integrated Express.js backend and implemented responsive UI with message timestamps and typing indicators.

EDUCATION

MBA (Pursuing) (2025-2027)

Prestige Institute of Management & Research, Gwalior

Online Full Stack Web Development Bootcamp (2023-2025)

Internshala, Online

- Learned web development using **HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB**.
- Built real-world projects like an e-commerce site, task manager, weather app, and chat application.
- Gained experience in RESTful API development and responsive design with Bootstrap and Tailwind CSS.
- Understood Git/GitHub for version control and deployed apps using Netlify and Render.

B.Sc in Computer Science (2019-2022)

Jiwaji University, Gwalior
